

THE SOFA

THE COMPANY

Tuttifamili is a company resident in Spain of an adventurous spirit.

Jose Rodríguez, professional of magic, and *Ana Puerta*, an actress with extensive experience in gestual theater, decided in 2012 to form her own company with the aim of investigating the fusion of their specialties, always trying to use both languages as tools to tell stories, not as an end in themselves.

In 2014 they created their first general magic act, **“The Sofa”**, which is a tender and funny story between a sofa and an old lady.

Everything becomes magical, emotive and delicate at the moment the sofa comes alive ... A dramatized and different magic act, that will make you smile from the very beginning.
